THE MINISTER OF STATE IN THE MINISTRY OF CONSUMER AFFAIRS, FOOD AND PUBLIC DISTRIBUTION (DR. AKHILESH PRASAD SINGH): (a) and (b) No, Sir.

(c) The Essential Commodities (Amendment) Bill, 2005 has been introduced in the Parliament in December, 2005 to enable the Government to prune the list of Essential Comodities to the minimum by deleting such commodities which are no longer relevant in the context of present improved supply position, and to facilitate free trade and commerce. Only those commodities considered essential, or which are in the interest of the farmers and the large section of people below poverty line, are proposed to be retained as essential commodities, while giving powers to the Central Govt. to add, remove or modify any essential commodity in public interest, when there is scarcity.

Recently, the Government has taken a decision to import 35 lakh tones of wheat in order to make up the shortfall of wheat stocks in the Central Pool caused by low procurement of wheat in Rabi Marketing Season 2006-07.

(c) whether it is also a fact that the multinationals and private players have taken undue advantage of liberal policy; and

(d) if so, the corrective steps being proposed by Government?

THE MINISTER OF STATE IN THE MINISTRY OF CONSUMER AFFAIRS, FOOD AND PUBLIC DISTRIBUTION (DR. AKHILESH PRASAD SINGH): (a) to (d) As per the existing procurement policy the Government agencies (FCI and State Agencies) carry out Minimum Support Price (MSP) operations in all areas of the country having
